

The City of Austin Transportation Department and Child Safety Program are partnering with staff at Hart Elementary School to provide safe bicycling access to and from school. This is part of an effort to improve safety for all modes of transportation as directed by the Austin City Council per City Ordinance No. 20090611-075 (The Austin Bicycle Plan). Furness Drive, Park Plaza Drive, and North Plaza are part of Route 57 of the City of Austin bicycle system. You are receiving this notification because you live on and/or own property adjacent to Furness Drive, Park Plaza, or North Plaza in Austin, Texas and/or are a stakeholder in the area.

In order to facilitate safe bicycling access to Hart Elementary, physically protected bike lanes are proposed in the project area (Figure 1). To implement these changes, street striping will be reconfigured and on-street motor vehicle parking will be prohibited on one side of the street on certain sections of Furness Drive, Park Plaza, and North Plaza.
